Info:

Return transport from Invercargill. Please allow 10-11 hours total for the day.

Minimum of 10 people. Please inquire for pricing if your numbers differ to above.

Drinking allowed on the bus respectfully (No Red Wine), our larger 49 Seater Bus is set up with a Bluetooth sound system. If you are doing the Go Karts no alcohol to be consumed before hand.

Coach lap on arrival – You get taken out onto the Highlands track for a commentary tour lap, this is a great introduction to Highlands and they hear the story about how Highlands come about and how the track was designed and built, \$25m build and all done in 11 months and 1 week, quite an incredible story!

Go Karts – A 650m outdoor track, drive a German built Go Karts with transponders (capable of speeds up to 50kmph) to record your fastest lap times during your 10 minute session.

You will receive a certificate with your lap times and how you compared to the other races on the track with you!

Plenty of great viewing areas for the rest of the group to cheer on their team mates!

Zero alcohol policy and covered in shoes are required.

National Motorsport Museum – Home to some of the rarest cars in NZ motorsport, set in stunning modern architecture, the museum has wide appeal even to non-motorsport fans, with over \$25 million worth of vehicles on display including an Aston Martin Vulcan (only 24 in the world and the only one in the Southern Hemisphere)! This is the heart of Highlands.

Batak Challenge –located in the Museum, the Batak machine is an interactive game that tests your reaction skills, this is timed and scored to test your hand and eye co-ordination – highly competitive!

Young Guns Virtual Reality Room –located in the Museum, this latest attraction is a stunning, new Virtual Reality experience celebrating the Young Guns of New Zealand motorsport.

Hear their great interviews, and experience a virtual lap around the Highlands track in the Ferrari wearing a VR goggle, choose your driver who will give you a commentary about his favourite parts of the track, move the goggles around to see the scenery and look at the dashboard to see how fast they are going!

Highlands High Speed Taxi – (WE DRIVE) an awesome way to experience the track at speed, up to 4 people to one taxi (a Porsche Cayenne Turbo reaching speeds of up to 180kmph around our circuit with our professional driver at the wheel! – ***Add on for \$32.25pp minimum of 4 people***

Highlands
