How It Works

1. **Book your hunt** – Our team will send you prep info, then a few days before your event you'll receive your official **game code**.
2. **Activate & play** – Once you start, you've got **4 hours** to conquer the course.
3. **Travel the region** – Challenges are set within Central & Western Southland (all within 1 hour of Invercargill).
4. **Unlock checkpoints** – The APP guides you to your start point, then reveals checkpoints randomly along the way.
5. **Face the challenges** – At checkpoints, you'll tackle...
 -  Questions about your location
 -  Fun facts & history of Southland
 -  Photo missions
 -  Cryptic clues
 -  Bonus photo challenges (if you're lucky!)

6. **Earn points** – Creativity, accuracy, and quick thinking all count. You can't cheat – the APP knows! It's not about who finishes first – it's about who scores the most points.
7. **Celebrate your finish** – The APP tallies scores automatically, and results appear instantly when time's up.
