How It Works

1. **Book your hunt** – Our team will send you prep info, then a few days before your event you'll receive your official **game code**.
2. **Activate & play** – Once you start, you've got **2 hours** to smash the course and outsmart your opponents.
3. **Stay local** – All checkpoints and challenges are based within the Invercargill boundary.
4. **Unlock checkpoints** – The APP guides you to your start point, then reveals checkpoints randomly along the way.
5. **Face the challenges** – At checkpoints, you might encounter...
 -  Tricky questions and fun general knowledge
 -  Hilarious photo missions
 -  Cryptic clues & puzzles
 -  Bonus photo challenges (if you're lucky!)
6. **Earn points** – Creativity, accuracy, and quick thinking all count. You can't cheat – the APP knows! It's not about who finishes first – it's about who scores the most points.
7. **Celebrate your finish** – The APP tallies scores automatically, and results appear instantly when time's up.
